

Welcome to Etobicoke School of the Arts!

ESA School Council

Why Participate in the ESA School Council?

What we do

- Communicate with parents and others via e-mail distribution list, about upcoming school events – Constant Contact.
- Track government changes to education and the effects on ESA
- School activities and events in the school and community
- Priorities for the school budget
- ESA priorities regarding curriculum and programs
- Promoting the school and the achievement of its students
- We do NOT raise funds (that is SESAT's mandate)
- We DO get involved in the greater ESA community

What we did in past years

- Introduction and successful implementation of **Constant Contact** E-mail distribution list for parent communication
- Created a monthly **School Council Newsletter**
- Assisted students and staff in establishing ESA as an **ECO School**
- Introduced an ESA community wide Wellness Initiative to investigate means of reducing student and staff stress.

Your Benefits

- Research shows students with involved parents perform significantly better at school
- Become aware of and influence quality of your student's school life
- Work with Ms. McCabe, our school principal
- Meet and work with teachers on extra-curricular events
- Develop networks with other parents
- Share in the fun and rich experience of ESA
